

**WE SUPPORT BETTER SCHOOLS.
WE WANT A BETTER PLAN.**

**VOTE "NO FOR NOW" NOV 3RD
HIGHLINE BOND & TECH LEVY**

Highline is asking taxpayers for \$643+ MILLION (\$595.4M Bond + \$48M Levy)—creating one of the highest school tax rates in the state.

WHY VOTERS ARE SAYING "NO FOR NOW":

- **\$161M FOR CHINOOK TOO EARLY:** Collects money now for a remodel that won't start until 2031.
- **LOWER-TECH CLASSROOMS:** Rejects unnecessary \$48M tech levies in favor of balanced, distraction-free learning and focus on core fundamentals.
- **SALMON CREEK CONCERNS:** Pushing a major site plan on a parcel that is too small without completing a comprehensive site review.
- **ACADEMICS FIRST:** Demanding focus on grade-level reading, math, science and actual student achievement.

Voting "No For Now" forces Highline to return with a smaller, transparent, and accountable proposal.
